

**Evaluation of Diversity Learning Grant (2016-17)**

Major Area(s) of Concern	Implementation Date	Performance Indicators	Results of Evaluation	Person in-charge
1. Outward Bound ➤ Provide leadership training for S4 leaders in STTSS	14/1/2017 – 18/1/2017	Student Evaluation (reflections and logbook), Photos	1. All students (100%) completed 5 days outward bound training course. 2. All students reflected that the course could help them in improving leadership skills including the skills of communication with others, team building and managing conflict with others. The course also helps them to develop the personal traits: perseverance.	Commissioned to Outward Bound School as coordinated by TKF
2. STTSS Advanced Leadership Training Course ➤ Provide training for this year student leaders (Head Prefect, House Captain, SU ex-co member etc.)	18/8-19/8: Training camp 22/8, 23/8: Workshops 17/9: Activity day	Student Evaluation, Photos	The attendance of students met the requirement of the course (>=75%) All students reflected that the course could help them in improving leadership skills including team building, managing conflict with others, time management and organizing activities.	Coordinated by TKF
3. Life Planning & Cruise Tour ➤ Provide Life Planning Program for S4 and S5 leaders in STTSS	7/10/2016 – 11/10/2016: Voyager of the Seas	Student Evaluation (reflections), Photos	All students (100%) completed 5 days life planning course on Voyager of the Seas. All students reflected that the course could help them in exploring different careers and their nature. The course also provides opportunity for them to communicate and manage conflict with others.	Coordinated by TKF
4. Hong Kong World Robot Olympiad(WRO) ➤ It is an event for science, technology and education which	24/09/2016	A robot model	1. Three students were awarded 3rd Prize. 2. From the post-contest feedback made by the students, points for improvement could be identified and appropriate suggestion for improvement could be made.	ICT Department (WHL)

	brings together the elite students on robotics to develop their creativity and problem solving skills through challenging and educational robotics competitions.				
5.	Bridge Model Competition ➤ Train students to apply Physics knowledge in daily situation	01-03/2017	Bridge Model	Students able to fabricate a bridge model. However, the bridge could not support enough load to enter the final round.	Coordinated by YCK
6.	Biology School Team (Hong Kong Olympiad for Secondary Schools 2016/2017) ➤ To boost students' interest on Biology ➤ To give a challenge to students on tackling biological problems	19/11/2016	The competition consists of two parts: written test and practical test.	1. First Class honour x2 2. Second class honour x4 3. Third class honour x2	Biology Department (CFY)
7.	International Mathematical Modeling Challenge 2017 ➤ To broaden students' perspective in the application of Mathematics	2/2017 – 4/2017	Two written papers in Mathematical modeling are required.	Students attained “Meritorious Award” and entered the Final round (in Greater China) of competition	Mathematic Subject as coordinated by HCW
8.	Joint School Science Exhibition ➤ To enhance students exposure to daily life Science Application and arouse their interest in science learning	12/2016 -08/2017	Model shown in the Exhibition in the last week of August, 2017	Power Point File in the Proposal Competition and Model in Exhibition	Science Subjects as coordinated by YCK
9.	Shatin Joint School Music Program	9/2016 – 7/2017	Course work given by HKBUAS	The students attained level 4 in the school year.	Commissioned to HKBUAS

➤ To broaden students' perspective in the application of Music learning				
10. PE Training Tour for Sports Team Members ➤ To broaden students' perspective in PE	3/7/2017 – 7/7/2017	The experience students gained in the tour	<ol style="list-style-type: none"> <li>1. All students (100%) completed 5 days PE training tour.</li> <li>2. Many students reflected that the training tour could help them in improving the skill level of basketball/handball and broaden their perspective in PE.</li> <li>3. Students reflected that they can improve their communication skills with the others and develop perseverance during the harsh training in Taiwan.</li> </ol>	PE Department (CHY)
11. Volleyball Training ➤ To broaden elite senior form students' perspective in different training and competitions.	09/2016 – 05/2017	The skills and perspective of students enhanced after joining the training and competitions.	<ol style="list-style-type: none"> <li>1. The attendance of students was good (Boys' team was 71.4%, Girls' team was 75.9%)</li> <li>2. The results of Inter-School Volleyball Competition were good (Boys A grade: 5<sup>th</sup>, Boys B grade: Champion)</li> </ol>	PE Department (CHY)
12. Table-Tennis Training ➤ To broaden elite senior form students' perspective in different training and competitions.	09/2016 – 05/2017	The skills and perspective of students enhanced after joining the training and competitions.	<ol style="list-style-type: none"> <li>1. The attendance of students was satisfactory (59.5%)</li> <li>2. The results of Inter-School Table-Tennis Competition were good (Boys A grade: 3<sup>rd</sup>, Girls A grade: 4<sup>th</sup>, Girls B grade: 2<sup>nd</sup>)</li> </ol>	PE Department (CHY)

**Gifted Education Committee Diversity Learning Grant**

**Financial Report 2016-2017**

	<b>Summary:</b>	
1.	Leadership – Outward Bound	\$47500
2.	STTSS Advanced Leadership Training Course	\$10500
3.	Life Planning & Cruise Tour	\$25500
4.	Hong Kong World Robot Olympiad	\$850
5.	Bridge model competition	\$317.9
6.	Biology School Team	\$960
7.	International Mathematical Modeling Challenge 2017	\$430.88
8.	Joint School Science Exhibition	\$2906.1
9.	Shatin Joint School Music Program	\$2400
10.	PE training tour	\$8440
11.	PE training program (VB)	\$45520
12.	PE training program (TB)	\$25325
	<b>Total</b>	<b>\$170649.88</b>
